

CHILDREN'S CAPITOL ART SHOW

South Dakotan's for the Arts Day at the Legislature-February 14, 2012

The Children's Capitol Art Show is one of our most important advocacy projects for arts education in South Dakota. We will digitally reproduce all the children's artwork and have it printed on tote bags to be presented to your Legislators. 100% participation is essential to the success of this advocacy project. Please help us help YOU, your students, your school and your district advocate for arts education in South Dakota! See attached for guidelines and information. Deadline is December 16, 2011.

Contact: Shari Kosel, Program Director, 605.584.1222, sharisoda@rushmore.com

Please review the guidelines. Thank you!

GUIDELINES:

The Artwork:

- School age (preferably 3rd-11th grades) student work on paper.
- I would prefer all artwork sent digitally with highest resolution and quality possible to sharisoda@rushmore.com
- **Work CAN NOT be in pencil.** It does not reproduce well.
- All work must be 2 dimensional and ready for printing.

South Dakotans for the Arts will prepare the work for exhibition and presentation.

Subject: Please choose appropriate artwork for your legislators.

Participating student artists will receive a certificate from South Dakotans for the Arts and an invitation to attend the exhibition and performance at the Capitol on February 14.

100% participation is important to the success of this very effective project. If you are unable to participate yourself, please put us in contact with someone who will send us your Legislative District's contribution to the SoDA Children's Capitol Art Show.

Please help us make certain that your student is represented in the Children's Capitol Art Show, and that your Legislators receive work from their home district on February 14. If you feel that you are unable to participate or that there is someone else in your district that can accomplish the task more readily, please let us know.

DEADLINES:

- Artwork is due in our office NO LATER than December 16, 2011.
- I prefer all artwork sent digitally to sharisoda@rushmore.com.

Thank you for your help and your ongoing work in arts education. Please contact me with any questions you may have.
